

Monica Martinez

Bio:

As the Managing Director in the Curriculum Division at the Texas Education Agency (TEA), Ms. Martinez oversees the work of the Curriculum Division that includes facilitation of and support for review, revision, and maintenance of the Texas Essential Knowledge and Skills (TEKS); review of proposed legislation and implementation of new legislation related to curriculum; and state level support, information and non-regulatory guidance regarding general curriculum related laws and rules. In addition to responsibility for the required state curriculum, Ms. Martinez is responsible for numerous statewide programs including bilingual/ESL education, Gifted/Talented Education, AP/IB Incentives, health and safety, the Texas Virtual School Network (TxVSN) statewide course catalog and full-time online schools program, Early College High Schools, services for students with dyslexia, academic counseling, dual credit, College for All grants, Algebra Readiness grants, and the LEP SSI initiative and the federal Perkins, Title III and Migrant Education Program grants.
